Dear Sam,

Thank you so much for deciding to love-up on the children of Centre County. We appreciate your caring response to help our local children, as well as your partnership with us. It simply isn't possible to provide life-changing services like our Summer Camp or Back-to-School Programs without you! You are The Salvation Army!

The children had a wonderful nine days at Camp, and we are filling the slots for our Back-to-School event on August 11th. Sending these kids to our Camp cost \$6,800. This year our Back-to-School Program is hoping to meet the needs of 600 children which will cost close to \$60,000. **Your gift of \$200.00* is making that a reality.** We are sincerely grateful for this generous gift, as well as your support of the Salvation Army.

We encourage you to continue being a part of this ministry by praying for this program and the children. God bless you!

Sincerely,

Chuck & Pat
